Detailed Specification

Konsert Music Stand is a high-quality, stable music stand with an elegant look. It fits all professional orchestras. The black stained wooden board has a lot of space for your sheet music. The felt upholstered shelf ensures that your papers stay in place. The stepless adjustment of height and inclination is secured with a wing screw. As with all our other music stands, Konsert has attachments in place for our LED Music Stand Lighting, ensuring an easy mounting. We offer accessories like the Swing Stand Base, an extra high stand base, an extra shelf, and weight sets to enable customization of Konsert for different musicians and environments.
