

BISON

ALFRED PIANO STOOL

Detailed Specification

Our Alfred Piano Stool is a popular choice among our customers due to its stability. Its sleek appearance complements your Piano as well as Grand Piano, Electric Piano, and Keyboard. You can quickly and easily adjust the height of the chair with the gas spring, and it is one of few piano stools on the market that doesn't require manual adjustment. The piano stool is comfortable even during long sessions. It has a strong and stable steel frame ensuring a good-quality-chair with a long lifespan. It is available in both leather and synthetic leather. We can also provide the piano stool with a tilt function which will help you keep a good posture.
