

BISON CLASSIC

Detailed Specification

The Classic musicians' chair has been one of our bestsellers for a long time. It is very popular in churches and different institutions. It is a chair that can be used in many different areas and situations, in the music business, as audience seating, as well as a utility chair in parish houses. Its foam padded and curved seat gives you good support and comfort. The steel frame is very durable and guarantees a long-lasting chair. The product can be customized according to your needs, for example with armrests or chair suspension. Classic is available with our without adjustable rear legs. The chair comes in three different laminates; black, birch, and beech. Writing board, binder pocket and linking clips are available as an accessory. The chair is stackable and we recommend using it with our specially designed transport wagon – Classic Chair Trolley.
