GLOBAL STAND SUPPORT CHAIR

Detailed Specification

Global is a stand support chair with a wide range of applications. It is well-liked amongst teachers, conductors, troubadours, accordionists, and stand-up comedians. The chair is perfect for situations where you alternate between sitting and standing. Global is a foldable and highly customizable chair which makes it very flexible. It is easy to carry and does not take up much space in storage. With a stepless adjustment, you can change the height of the seat and backrest. The inclination of the seat, as well as the depth of the backrest, has two different settings. Global has an upholstered seat and backrest which gives good traction and a sense of stability. Foldable foot support is available as an accessory.
