

BISON

MUSICA CHAIR TROLLEY

Detailed Specification

Musica Chair Trolley is specially designed for our chair Musica Pro. It can transport up to eight chairs at the same time. The chairs are easy to stack on top of each other and are securely fastened on the trolley. It has a practical handle which makes it easy to manoeuvre. The trolley has a solid construction with four swivel castor wheels, two of which have breaks. When not in use, they can be pushed into each other, just like shopping carts, so that they take up little space while storing. Its heavy-duty steel construction guarantees a high-quality, durable trolley.
