NISSE GRAND PIANO DOLLY

Detailed Specification

With Nisse, you can transport your grand piano securely and easily. The truck dolly can be easily adjusted to fit different sizes of grand pianos. The double set of bogie wheels roll smoothly and manages irregularities such as thresholds. The wheels will also keep sensitive surfaces, such as parquet floors, unscathed. The truck dolly is easy to assemble and is also foldable. We offer a specially designed version of Nisse specifically for digital grand pianos.

CONSTRUCTION

Frame Steel
Wheels Rubber
