

BISON CLASSIC

Detailed Specification

The Classic chair has been one of our bestsellers for a long time. It is very popular in churches and different institutions. It is a chair that can be used in many different areas and situations, in the music business, as audience seating, as well as a utility chair in parish houses. Its foam padded and curved seat gives you good support and comfort. The steel frame is very durable and guarantees a long-lasting chair. Writing board, binder pocket, linking clips and armrests are available as accessories. The chair comes in three different laminates; black, birch, and beech. The chair is stackable and can be used with our specially designed Classic chair trolley.

STEAL PARTS

The steal parts have 10 years warranty. All steal is produced in Sweden and following the Swedish standard for how you are allowed to produce in sustainable direction. We are using powder coating to get the black color. Powder coating is durable and less polluting than traditional varnishing and is used completely without solvent. However, the varnish can sometime get edged. If you need to repair this, you easily use black mat varnish and a thin paintbrush.

You can clean the steal with a dust-cloth and water and soap.

PLASTIC PARTS

The plastic parts have 10 years warranty and does not need any special care. Clean with a dust-cloth and water and soap.

If the plastic feet get damage or if you lose them, we replace them for free within the warranty period. Please contact Bison Produkter AB at info@bison.se and we will help you.

FABRIC

Is a Swedish wool fabric (90% wool and 10% polyamide) with 200 000 martindale (in public environment is 30 000 martindale recommended). SS EN 1021:1-2 (cigarette & flame)

The standard design for our chairs is our black wool fabric, other fabrics and colors can be chosen for an additional cost.

You easily take away dust and other light dirt with a clothes brush. Other dirt is removed with a dust-cloth and water, and possibly soap if needed.

All our fabric is certificated with Ecolabel, which is EU:s common eco-labelling.
