Classic Chair Trolley is specially designed for our Classic Chairs. Laminated chairs are stackable by approximately 20, the upholstered chairs by approximately 15. The chairs rest on a welded frame that also works as a handle. This allows the chairs to rest securely against each other. The trolley is light in weight and has 4 swivel castor wheels, of which two have brakes, making it very easy to manoeuvre. The rounded corner design allows you to quickly and easily steer away if you bump into something. Its heavy-duty steel construction guarantees a durable, high-quality trolley.
