

ENTRE CHAIR TROLLEY

Detailed Specification

Entre Chair Trolley is the perfect transport wagon for schools, canteens, parish homes, conference halls, concert halls, and other assembly halls. It is designed and constructed to carry different models of stackable chairs. Thanks to the adjustable inclination of the trolley, it can be adapted to suit different kinds of leg constructions and chair heights. The number of chairs that can be stacked varies depending on the chair design. It is a flexible and useful transport trolley, popular among those who handle and transport chairs. Thanks to the two large, heavy-duty wheels in the front and the two lockable swivel castors in the back, the Entre Chair Trolley is easy to manoeuvre while ensuring secure transport. When not in use it can be folded together, making it easy to store.

STEAL PARTS

The steal parts have 10 years warranty. All steal is produced in Sweden and following the Swedish standard for how you are allowed to produce in sustainable direction. We are using powder coating to get the black color. Powder coating is durable and less polluting than traditional varnishing and is used completely without solvent. However, the varnish can sometime get edged. If you need to repair this, you easily use black mat varnish and a thin paintbrush.

You can clean the steal with a dust-cloth and water and soap.

PLASTIC PARTS

The plastic parts have 10 years warranty and does not need any special care. Clean with a dust-cloth and water and soap.

If the plastic feet get damage or if you lose them, we replace them for free within the warranty period. Please contact Bison Produkter AB at info@bison.se and we will help you.

FABRIC

Is a Swedish wool fabric (90% wool and 10% polyamide) with 200 000 martindale (in public environment is 30 000 martindale recommended). SS EN 1021:1-2 (cigarette & flame)

The standard design for our chairs is our black wool fabric, other fabrics and colors can be chosen for an additional cost.

You easily take away dust and other light dirt with a clothes brush. Other dirt is removed with a dust-cloth and water, and possibly soap if needed.

All our fabric is certificated with Ecolabel, which is EU:s common eco-labelling.
