

BISON ESTRAD CONDUCTOR'S PODIUM

Detailed Specification

Estrad Conductor's Podium is an easy-to-handle, stable podium that can be used both indoors and outdoors. The assembling process is minimal, quick, and does not require any tools. It is light in weight but with a maximum load of 750kg/m² it will always feel solid and sturdy. You can easily fit a conductor's chair on the platform and we recommend pairing it with our Master Conductor's Music Stand. The legs are detachable so that you easily can adjust the height of the podium. It also has a guardrail that is quick and easy to attach to the podium.

Frame - Aluminium profile	Anodized Aluminium
Board	Birch, 15mm edge sealed plywood in 11 layers
Surface	Melamine or phenol, resp.
Colour	Black

GENERAL INFO

Manufacturer's warranty	10 years
Stackable	Yes
Article number	E1200

STEAL PARTS

The steal parts have 10 years warranty. All steal is produced in Sweden and following the Swedish standard for how you are allowed to produce in sustainable direction. We are using powder coating to get the black color. Powder coating is durable and less polluting than traditional varnishing and is used completely without solvent. However, the varnish can sometime get edged. If you need to repair this, you easily use black mat varnish and a thin paintbrush.

You can clean the steal with a dust-cloth and water and soap.

PLASTIC PARTS

The plastic parts have 10 years warranty and does not need any special care. Clean with a dust-cloth and water and soap.

If the plastic feet get damage or if you lose them, we replace them for free within the warranty period. Please contact Bison Produkter AB at info@bison.se and we will help you.

FABRIC

Is a Swedish wool fabric (90% wool and 10% polyamide) with 200 000 martindale (in public environment is 30 000 martindale recommended). SS EN 1021:1-2 (cigarette & flame)

The standard design for our chairs is our black wool fabric, other fabrics and colors can be chosen for an additional cost.

You easily take away dust and other light dirt with a clothes brush. Other dirt is removed with a dust-cloth and water, and possibly soap if needed.

All our fabric is certificated with Ecolabel, which is EU:s common eco-labelling.
