

BISON ESTRAD GUARDRAILS

Detailed Specification

Our safety railing ensures you can stand confidently on stage, knowing you're protected from falling backward. It installs easily into the mounting tracks using the supplied Allen wrench. Made from aluminum, the rail is lightweight, making installation even easier. Available in lengths of 1200 mm and 800 mm.

Measurements	1200mm or 800mm, resp.
--------------	------------------------

CONSTRUCTION

Material	Aluminium
Surface	Matte
Color	Grey

GENERAL INFO

Manufacturer's Warranty	10 years
-------------------------	----------

STEAL PARTS

The steal parts have 10 years warranty. All steal is produced in Sweden and following the Swedish standard for how you are allowed to produce in sustainable direction. We are using powder coating to get the black color. Powder coating is durable and less polluting than traditional varnishing and is used completely without solvent. However, the varnish can sometime get edged. If you need to repair this, you easily use black mat varnish and a thin paintbrush.

You can clean the steal with a dust-cloth and water and soap.

PLASTIC PARTS

The plastic parts have 10 years warranty and does not need any special care. Clean with a dust-cloth and water and soap.

If the plastic feet get damage or if you lose them, we replace them for free within the warranty period. Please contact Bison Produkter AB at info@bison.se and we will help you.

FABRIC

Is a Swedish wool fabric (90% wool and 10% polyamide) with 200 000 martindale (in public environment is 30 000 martindale recommended). SS EN 1021:1-2 (cigarette & flame)

The standard design for our chairs is our black wool fabric, other fabrics and colors can be chosen for an additional cost.

You easily take away dust and other light dirt with a clothes brush. Other dirt is removed with a dust-cloth and water, and possibly soap if needed.

All our fabric is certificated with Ecolabel, which is EU:s common eco-labelling.
