

BISON EXTRA SHELF

Detailed Specification

Our Extra shelf, which fits all of our music stands, has sound-absorbing velour fabric so that you can easily put things down without making noise. It is quickly and easily mounted with a wing screw on our music stand bases, and you can easily adjust the height to suit your desired level. No other tools are required. It is just as easy to remove when it is not needed or for storage. The shelf is made of steel, making it very durable. It is a product that you will be able to use for many years.

Manufacturer's warranty	10 år
Article number	N2100

STEAL PARTS

The steal parts have 10 years warranty. All steal is produced in Sweden and following the Swedish standard for how you are allowed to produce in sustainable direction. We are using powder coating to get the black color. Powder coating is durable and less polluting than traditional varnishing and is used completely without solvent. However, the varnish can sometime get edged. If you need to repair this, you easily use black mat varnish and a thin paintbrush.

You can clean the steal with a dust-cloth and water and soap.

PLASTIC PARTS

The plastic parts have 10 years warranty and does not need any special care. Clean with a dust-cloth and water and soap.

If the plastic feet get damage or if you lose them, we replace them for free within the warranty period. Please contact Bison Produkter AB at info@bison.se and we will help you.

FABRIC

Is a Swedish wool fabric (90% wool and 10% polyamide) with 200 000 martindale (in public environment is 30 000 martindale recommended). SS EN 1021:1-2 (cigarette & flame)

The standard design for our chairs is our black wool fabric, other fabrics and colors can be chosen for an additional cost.

You easily take away dust and other light dirt with a clothes brush. Other dirt is removed with a dust-cloth and water, and possibly soap if needed.

All our fabric is certificated with Ecolabel, which is EU:s common eco-labelling.
