

BISON KONSERT

Detailed Specification

Konsert is suitable for those who place high demands on a sturdy music stand with great adjustment options, while also having an elegant appearance. The black-stained wooden plate has plenty of space and looks elegant together with the blue velour-covered lower shelf. The height and inclination are adjusted steplessly. It has attachments for our music stand lighting Aurora. With accessories such as an extra shelf and Swing stand base, it becomes a flexible music stand. You also have the option of getting it with an extra high stand base and with extra weights, which means that the music stand fits into most environments. With the Transit transport trolley, you can easily transport up to 10 music stands at the same time. There is also no assembly required, you can use it immediately.

STEAL PARTS

The steal parts have 10 years warranty. All steal is produced in Sweden and following the Swedish standard for how you are allowed to produce in sustainable direction. We are using powder coating to get the black color. Powder coating is durable and less polluting than traditional varnishing and is used completely without solvent. However, the varnish can sometime get edged. If you need to repair this, you easily use black mat varnish and a thin paintbrush.

You can clean the steal with a dust-cloth and water and soap.

PLASTIC PARTS

The plastic parts have 10 years warranty and does not need any special care. Clean with a dust-cloth and water and soap.

If the plastic feet get damage or if you lose them, we replace them for free within the warranty period. Please contact Bison Produkter AB at info@bison.se and we will help you.

FABRIC

Is a Swedish wool fabric (90% wool and 10% polyamide) with 200 000 martindale (in public environment is 30 000 martindale recommended). SS EN 1021:1-2 (cigarette & flame)

The standard design for our chairs is our black wool fabric, other fabrics and colors can be chosen for an additional cost.

You easily take away dust and other light dirt with a clothes brush. Other dirt is removed with a dust-cloth and water, and possibly soap if needed.

All our fabric is certificated with Ecolabel, which is EU:s common eco-labelling.
