

BISON RYTM DRAFTING CHAIR

Detailed Specification

Rytm drafting chair is well suited for music halls and schools that have high demands on quality, durability and wear, but want a slightly simpler chair than Boss and Maestro. Rytm has a conventional seat and footrest with a twist lock, which means that the chair has many uses. The gas spring for height adjustment is placed within a five-legged base. The gas spring is available in different lengths, on Boss and Maestro, it is rotatable. The seat and backrest are adjusted with a simple hand grip, which means that it can be easily adapted for many different users.

Transport	No
Article number	S1400

OPTION

Wheels instead of pads on the five-legged base.

STEAL PARTS

The steal parts have 10 years warranty. All steal is produced in Sweden and following the Swedish standard for how you are allowed to produce in sustainable direction. We are using powder coating to get the black color. Powder coating is durable and less polluting than traditional varnishing and is used completely without solvent. However, the varnish can sometime get edged. If you need to repair this, you easily use black mat varnish and a thin paintbrush.

You can clean the steal with a dust-cloth and water and soap.

PLASTIC PARTS

The plastic parts have 10 years warranty and does not need any special care. Clean with a dust-cloth and water and soap.

If the plastic feet get damage or if you lose them, we replace them for free within the warranty period. Please contact Bison Produkter AB at info@bison.se and we will help you.

FABRIC

Is a Swedish wool fabric (90% wool and 10% polyamide) with 200 000 martindale (in public environment is 30 000 martindale recommended). SS EN 1021:1-2 (cigarette & flame)

The standard design for our chairs is our black wool fabric, other fabrics and colors can be chosen for an additional cost.

You easily take away dust and other light dirt with a clothes brush. Other dirt is removed with a dust-cloth and water, and possibly soap if needed.

All our fabric is certificated with Ecolabel, which is EU:s common eco-labelling.
