

BISON

SWING TOURING STAND BASE

Detailed Specification

Swing is a stand base that fits our music stands Start and Konsert, but also with a special design for our Master conductor music stand. Foldable feet make it easy to transport and store. If you are traveling a lot with your music stand or have little storage space, this is the perfect solution. All our accessories can be used with Swing, for example, an extra shelf, music stand lighting, weight sets, and an extra high stand base.

Stackable on trolley, Qty.	10
Transport	Transit Music Stand Trolley
Article number	91602

ACCESSORIES

Extra Shelf
Storage Box

STEAL PARTS

The steal parts have 10 years warranty. All steal is produced in Sweden and following the Swedish standard for how you are allowed to produce in sustainable direction. We are using powder coating to get the black color. Powder coating is durable and less polluting than traditional varnishing and is used completely without solvent. However, the varnish can sometime get edged. If you need to repair this, you easily use black mat varnish and a thin paintbrush.

You can clean the steal with a dust-cloth and water and soap.

PLASTIC PARTS

The plastic parts have 10 years warranty and does not need any special care. Clean with a dust-cloth and water and soap.

If the plastic feet get damage or if you lose them, we replace them for free within the warranty period. Please contact Bison Produkter AB at info@bison.se and we will help you.

FABRIC

Is a Swedish wool fabric (90% wool and 10% polyamide) with 200 000 martindale (in public environment is 30 000 martindale recommended). SS EN 1021:1-2 (cigarette & flame)

The standard design for our chairs is our black wool fabric, other fabrics and colors can be chosen for an additional cost.

You easily take away dust and other light dirt with a clothes brush. Other dirt is removed with a dust-cloth and water, and possibly soap if needed.

All our fabric is certificated with Ecolabel, which is EU:s common eco-labelling.
